If for some reason your students don't get one of the many National Scholarships, we have numerous campus based scholarships that we can offer them once they get here. The great thing about the University of Wyoming is that we have the 2nd least expensive out of state tuition in the country. Our out of state tuition is actually comparable with most states in state tuition.</p> <p>Benefits of enrolling in our program include scholarship opportunities to help pay for school, leadership opportunities that easily translate into many career fields, as well as the feeling of pride in serving this great country alongside other highly motivated people. In addition to the normal ROTC stipend, cadets at the University of Wyoming receive an additional room & board stipend of up to \$1,150 per semester. At the end of their experience in the ROTC program, they will be able to commission as a Second Lieutenant in the United States Army, Army Reserve, or the National Guard.</p>	http://www.uwyo.edu/armyrotc/index.html	Tuition

	Guaranteed Scholarships	<p>By guaranteed scholarships, we mean those which are unlimited in number, and require no interview, essay, portfolio, audition, competition or other "secondary" requirement. Just meet the criteria listed, adhere to the application deadlines set by the individual colleges and universities, gain admission, enroll, and receive your scholarship or scholarships. Remember that, in many cases, the scholarships are mutually exclusive...you will generally receive the largest scholarship or grant for which you qualify.</p> <p>Despite our continuing effort to maintain the accuracy of the information on this site, it is possible that one or more of the scholarships listed have been changed in some way or even discontinued. To avoid disappointment or misunderstandings, we strongly suggest that you verify all scholarship information with the offering college or university before beginning the application process to be certain the scholarship is still being offered and to ensure that you are fully aware of initial qualifying criteria, deadlines, and renewal requirements.</p> <p>Also, please be aware that many institutions listed below offer grants, financial aid, and awards other than those listed. We have only listed those meeting our definition of "guaranteed". And, be advised that many colleges require anyone applying for aid to complete financial aid forms, even if they have no demonstrated financial need.</p>	http://www.guaranteed-scholarships.com/	\$1,000-\$100,00
